Arc Herkimer to Host Workshop Featuring Dr. Brad Bennett

As a leader in Central New York in bringing renowned experts to individuals with disabilities, families, and area professionals, Arc Herkimer will sponsor the workshop, "Understanding and Working with the Needs of Individuals with Autism Spectrum Disorder and Other Developmental Disabilities" on Thursday, August 16.

Dr. Brad Bennett, Ph.D., licensed psychologist at Arc Herkimer and Clinton Therapy & Testing Center, will present at Francesca's, 144 E. Main Street in Ilion, from 11 a.m. to 2 p.m. The workshop is free and open to individuals, families, and professionals and lunch is included.

The goals of this workshop include identifying commonly-recognized needs of individuals; recognizing similarities of those needs versus everyone else; treating the individual, not the disorder; and utilizing mind sets and approaches that maximize the chances of success and reduce struggles and conflicts.

To ensure that the venue accommodates registrants and for lunch reservations, Arc Herkimer is asking those interested to register by Friday, August 10 at www.archerkimer.org under upcoming events. To register by phone, please contact Janet LaRock at (315) 574-7780 or email: jarock@archerkimer.org.

Arc Herkimer's mission is empowering people with disabilities and enriching lives throughout the community. For more information regarding Arc Herkimer, call (315) 574-7000 or visit www.archerkimer.org.
