Arc Herkimer Invites You to the 11th Annual Spirituality Concert

Date: Saturday, August 17th, 2019
Time: 12:00pm – 5:00pm
Place: Arc Park (420 East German Street, Herkimer, NY)

Arc Herkimer's Spirituality Committee is inviting the public to enjoy the eleventh annual "Celebration of the Spirit" Concert! The concert is an expression of faith (nondenominational) through music, featuring area groups and individuals sharing their music with a spiritual message.

Headlining this year is the band "FLAME" from Lexington (Montgomery ARC). The group is comprised of people with developmental and physical disabilities. They have traveled the world with their music, achieving their goal of highlighting abilities, rather than disabilities, while inspiring people through their music. Other performers include: Paul Whitney, Yesterday! A Senior Ensemble, Pastor Wayne Clemons, Revelation, and the River Valley Band.

Everyone is welcome to this FREE community event. Bring a blanket/chair and enjoy a fun-filled day of music, activities, vendors, concessions, and fellowship!
